NIGHT OWL

HI-RESOLUTION 600 TVL SECURITY CAMERA

WITH 100 FEET OF NIGHT VISION

Home & Business

*Requires DVR or Quad Splitter. (not included)
(TV not included)

Night Owl's CAM-OV600-365 is a sleek indoor/outdoor hi-resolution security camera that provides clear and crisp images at 600 TV lines of resolution. The 36 x 5mm cobalt blue LEDs will produce a night vision image up to 100 feet away in complete darkness and will allow for facial recognition up to 50 feet away. The camera has an IR cut filter that delivers high quality and clear crisp day or night vision images. The camera comes packed with 60 feet of video/power cable, a UL power adapter, mounting hardware, Night Owl security stickers and a BNC to RCA adapter for an easy connection to any TV (RCA) and/or Night Owl DVR (BNC). This camera easily connects to any industry standard DVR using BNC connections and of course all Night Owl DVRs. In addition, all Night Owl products come with a 1-year worry free warranty and 24/7 technical phone support (1-866-390-1303) that is open 365 days a year.
